

## Financial Assistance Application

We understand medical expenses are often unplanned. In the event of financial hardship, The Children's Center Rehabilitation Hospital will help our patients explore available resources to resolve their medical bills.

Assistance may be available based on the financial condition of our patients' families. This Financial Assistance Application is used to determine eligibility for The Children's Center Rehabilitation Hospital Financial Assistance Program. If approved, this program covers medically necessary services provided by TCCRH facilities. It does not apply to physician bills or other fees a patient may incur.

To be considered for financial assistance under our Program, the patient's guardian must provide the information and documentation requested in the Financial Assistance Application. Patients must apply for other existing financial resources that they may qualify for to pay for their healthcare expenses, such as Medicaid.

Please complete the attached application form and return it to the address below along with the supporting documentation:

- Copy of denial of eligibility from Oklahoma Medicaid
- Copy of valid photo ID (Driver's License, State Identification, Military ID, etc.)

**COPY OF ONE OF THE FOLLOWING:**

- Copy of last 2 year's tax return (all schedules and W2 forms)
- Copy of most recent pay stubs or proof of income (3 months)
- Copy of most recent bank statements (3 months)

Once the complete application is received, a determination will be made and a written response will be sent to the applicant within 30 business days of receipt.
